

"We had a wonderful experience moving my grandmother to the Hammond Center in 2022. The staff was so helpful every step of the way making the process so much easier than we ever thought it could be. They answered all of our questions and were so welcoming! My grandma has praised every department from how helpful maintenance is, to the yummy food where she gets multiple options to choose from, to the exceptional care she receives from all of the nursing staff, to all of the fun activities they offer throughout the day. She has also been attending exercise classes they offer and walking the track in their fitness center with new friends. They are like their own little family and they take great care of each other! We are extremely thankful to know Grandma is in such great hands!"

Courtney Michalek, Granddaughter
of Tenant Marilyn Cummings

The Hammond Center for Assisted Living offers spacious apartments; a variety of amenities to help keep tenants active and involved; the benefit of being directly connected to a healthcare center; and most importantly, a caring and compassionate staff.

and employer

*Assisted Living
Community*

*Providing the finest
assisted living that
Grinnell has to offer!*

Are you tired of cooking, cleaning, and maintaining a home? Do you need some assistance with your medications, bathing or dressing? Are you homebound or lonely? If your answer to any of these questions is "yes," contact us now for information and a tour to find out how much easier and more enjoyable your life could be!

The Hammond Center for Assisted Living's home-like environment includes 20 spacious assisted living apartments (two-bedroom, one-bedroom and studio floor plans) and is designed to provide you with a worry-free lifestyle of comfort, wellness and socialization. Long-term care insurance policies often provide coverage based on the level of care required by the individual.

Our kind and compassionate caregivers are at the very heart of the Hammond Center's care philosophy which is also reflected by the range of amenities and services provided to ensure your comfort, security and well-being.

Along with an attractive private apartment waiting to be filled with your own furnishings and personal items, the Hammond Center is filled with warm and inviting common areas both inside and out. From our cozy living room and family-style dining area to our inviting patio and scenic outdoor courtyard, you are sure to feel right at home.

We also offer many opportunities for you to be as engaged as you want to be—from fitness classes designed to keep you physically, mentally and socially active; to a variety of activities, programs and events designed to educate and entertain. Come join us—it's time to have fun again!
