Month In Review

December was a craft filled month here at St. Francis Manor! To start the month, residents made a snowman Christmas countdown along with lots of ornaments to put on their Christmas trees in their rooms! We got into the holiday spirit by playing Christmas carol match up, build a snowman dice game, snowball fight, hot chocolate tasting, and decorating cookies! The residents enjoyed their Christmas parties and a Christmas performance from the Parkettes! We are blessed to be open to the public especially at this time of the year. The residents and staff were able to enjoy the numerous carolers throughout the month as well as a special visit from Santa and his elf! The residents are excited to start the new year!

Happy New Year 2022!

All About January

Sparkling winter sunshine
Faces all aglow
Making resolutions
And Angels in the snow
Steaming cups of cocoa
A year that's fresh and new
All of this is magic
Unfolding just for you!

Celebrating 40 Years Of Service

Congratulations and Thanks for 40 Years (& counting) of Service!

Dion Schrack was a young 23-year-old when he began working as administrator of St. Francis Manor in 1982! He will celebrate 40 years of service on 1/1/22 but won't be retiring any time soon!! Dion has been instrumental in growing St. Francis Manor from a 51-bed nursing facility to a successful 31-acre Continuing Care Retirement Community. Countless projects and services have been created under Dion's leadership and we thank him for his dedication and vision.

Turning 103 Years Old

Imagine living through not only one pandemic but two during your lifetime — that's just what St. Francis Manor resident Louise Doty has done! Anna Louise Larsen was born in 1918 during the Spanish Flu pandemic, she recovered from COVID-19 in May 2020, and celebrated her 103rd birthday on November 25! Louise was able to enjoy an early celebration with her three children and their spouses in the home of one of her sons, Merle (Gloria) Doty.

Thank You

Thank you, Janet Holcomb, for your donation of 4 fleece and 4 knitted blankets. These will be perfect for the colder months!

Thank you to Gary and Connie Shebeck, Mike and Cindy Kriegel, and Walter Griffith for their generous monetary donations.

These donations helped create a magical Christmas celebration for all of the residents at St. Francis Manor!

Thank you to the Sheridan 4-H Group for the pinecone bird feeders. These will be a great treat for the birds during the colder months and will provide hours of entertainment for all of us!
